

**MIKE WHITE DDS**  
**PAYMENT OPTIONS/CANCELLATION & NO-SHOW POLICY**

Our mission is to deliver the finest, most cost effective dental care treatment available today. Following diagnosis, the doctor will advise you of your plan for treatment. Additionally we will discuss with you the cost of today's and future treatments.

Payment for today's visit and your future visits are due at the time of treatment. We are sensitive to the fact that some people may not be able to pay cash at time of treatment; therefore, we offer an extended monthly payment plan for your convenience.

**Care Credit Monthly Payment Plan** – This is a separate line of credit which does not affect the balances of your other credit cards. Unlike other credit cards, there are no annual fees. CareCredit also has an interest free option. This monthly payment plan does not require payment now, nor the use of your bank card. Processing your application will only take a few minutes.

**Please indicate below the form of payment you wish to choose to settle your account**  
*We understand dental insurance may pay, this applies to balance of account.*
